

Queensmill School

Pupil Premium Expenditure Report 2016/17

The department for education provides the following guidelines for the usage of school Pupil Premium during an academic year.

The [pupil premium](#) is additional funding for publicly funded schools in England to raise the attainment of disadvantaged pupils and close the gap between them and their peers.

Pupil premium funding is available to:

- local authority maintained schools, including special schools and [pupil referral units \(PRUs\)](#)
- voluntary-sector [alternative provision \(AP\)](#), with local authority agreement
- special schools not maintained by the local authority (NMSS)
- academies and free schools, including special and AP academies

Funding

Financial year 2015 to 2016

In the 2015 to 2016 financial year, schools will receive the following funding for each child registered as eligible for free school meals at any point in the last 6 years:

- £1,320 for pupils in reception year to year 6
- £935 for pupils in year 7 to year 11

Schools will also receive £1,900 for each pupil who has left local-authority care because of 1 of the following:

- adoption
- a special guardianship order
- a child arrangements order
- a residence order

If a pupil has been registered as eligible for free school meals and has also left local-authority care for any of the reasons above, they will attract the £1,900 rate.

Children who have been in local-authority care for 1 day or more also attract £1,900 of pupil premium funding. Funding for these pupils doesn't go to their school; it goes to the [virtual school head \(VSH\)](#) in the local authority that looks after the child. [VSHs are responsible for managing pupil premium funding for looked-after children.](#)

Funding allocations

In July 2015 we published [final pupil premium allocations for the 2015 to 2016 financial year](#) based on January 2015 school census data.

More information on the allocations is available in the [conditions of grant document](#).

Using the pupil premium effectively

The Education Endowment Foundation has produced a [teaching and learning toolkit](#) to help teachers and schools effectively use the pupil premium to support disadvantaged pupils. Its [families of schools toolkit](#) helps teachers learn about effective practice from similar schools.

We've also published a [list of key stage 2 and key stage 4 schools with excellent results for disadvantaged pupils up to 2014](#), which includes pupil premium award winners from 2015. You can find information on the 2014 and 2013 winners on the [Pupil Premium Awards website](#). We've encouraged all schools with excellent results to share their achievements, strengths and experience with other schools.

Accountability

Ofsted inspections

Ofsted's school inspections report on the attainment and progress of disadvantaged pupils who attract the pupil premium. The Ofsted [inspection framework](#) and [handbook effective from September 2015](#) are available.

Online reporting

You must publish details of how your school spends its pupil premium and the effect this has had on the attainment of the pupils who attract the funding.

Read guidance on [what specific information you must publish on your website](#).

You can find a good example of how you might present your information on the [Heath School](#) website.

Performance tables

[School and college performance tables](#) also report on the performance of disadvantaged pupils compared with their peers.

Pupil premium reviews

Ofsted will recommend that a school commissions a pupil premium review if they identify issues with the school's provision for disadvantaged pupils. You can find more information in Ofsted's [school inspection handbook](#).

Other bodies may also recommend that you commission a pupil premium review, including:

- your local authority
- your academy trust
- your [regional schools commissioner](#)
- the Department for Education

For the academic year 2015/16 Pupil Premium Funding allocated to Queensmill School totaled: £123,065

This was calculated by the DfE on the basis that Queensmill currently has 146 students on roll with 62 Primary-aged and 24 Secondary-aged pupils identified as meeting the criteria for additional Pupil Premium funding.

Details on how Queensmill School spent their allocated Pupil Premium Funding can be found in the table listed below. Following this a brief outline of the successful impact expenditure had on pupil progress, achievement, well-being, healthy life style and access to sports related activities.

	Item	Cost
	Amount Received	£123,065
1	Music House @ after school clubs	£1,650
2	Music teacher salary	£49,795
3	Yoga teacher salary	£23,536
4	Breakfast and after school clubs	£29,742
5	Schools Shakespeare festival	£15,000
6	TACPAC equipment	£1,373
7	Subsidising residential trips	£1,969
	Total	£123,065

See the Queensmill School 'Diminishing the Difference 2016/17' report for detailed reporting on the impact of the Pupil Premium expenditure for the year.

The Pupil Premium expenditure will be reviewed Summer 2017
