Re: Parent Governor Vacancy

Dear Parents and Carers,

We currently have two vacancies on the governing body for a parent governor and we are now inviting expressions of interest. Governor's play a crucial role in the management of the school, supporting and challenging the headteacher and senior team as necessary. While there are a range of governors within the group, parent governors naturally have a particular interest given their day to day involvement with the school.

If you would like to express an interest, please complete the form below and we will reply with details of how you can apply.

The closing date for expressions of interest is **Friday 5th March, 2021**

Sincerely,

Freddie Adu,

Headteacher, Queensmill School.

I would like to apply to become a parent governor at Queensmill School and would welcome application details.
