# Founder and Instructor – Joe Hancock

Joe has worked as a qualified PE teacher at Queensmill school, a specialist school for autism, for 7 years, delivering swimming lessons to students from the ages of 4 to 25. Joe is an ASA level 2 instructor and thoroughly enjoys teaching swimming to young people of all ages and abilities. All additional instructors are highly experienced in working with SEN young people.

"I cannot quite express how highly I regard Joe and his work as a swim tutor for children with autism. Our children love swimming and even those who lack confidence, quickly gain it with Joe's support. We really wish, now the pandemic is easing that children get the chance to swim and enjoy water on a regular basis and you can have every confidence that Joe is a highly experienced, sensitive and fun swim coach".

**Freddie Adu – Headteacher, Queensmill School**

"Joe has worked with my autistic son both in and out of the pool. Joe is kind, patient, dependable and experienced. If you have a child with Autism and would like them to learn to swim and have fun, I can highly recommend him".

**Francesca Walker – Parent**

"Joe has worked extensively with my son who has complex autism and epilepsy. He is a fantastic teacher who takes an individual approach to every child he works with and most importantly makes activities fun. I highly recommend Joe's services to parents of children with SEN"

**Linda Goodman – Parent**
