

Covid – 19

Re: Secondary Phase Closure

Dear Parents and Carers,

I am writing to inform you that due to three confirmed cases of Covid-19 within the Secondary phase at the main site at Askham Road, this part of the school will need to close. We know this will be very difficult for your children and we have done everything we can to prevent having to close but we must do for the Health and Safety of all. We have consulted with Hammersmith and Fulham Health Protection team and Public Health England

We intend to re-open the Secondary part of the school on **Monday 14th December.**

We will identify a very small group of students whose overall situation is especially vulnerable and complex and we will make contact with them with the intention that they will return to school on Monday 7th December. If you do not hear from us, you should assume that your child will return on Monday 14th.

We would advise all parents to contact NHS 111 if their child exhibits symptoms and advise us afterward.

If you have any further queries, please do not hesitate to contact myself or any member of the senior team.

Sincerely,

Freddie Adu,
Headteacher
